Booking Secretary's Report for A.G.M. 25th October 2024

Bare Bean Barista Trailer now in the car park – it is going well, and bringing in extra revenue

Beth Skitmore Yoga – on maternity leave – I hope it will restart over the winter

Bowls Club – as the outdoor season has drawn to a close, Short Mat Bowls has resumed in the hall on a Monday afternoon.

Dereham Countrysiders – a branch of the Young Farmers – now meets fortnightly – for 10 to 16 year olds

Jonathan Dance continues to hire the Meeting Room two days a week for his massage therapy appointments

Meet & Eat has gone from strength to strength this year thanks to the leadership of Deborah Carter and her willing team of helpers.

Quiz Nights have sadly ceased due to lack of regular support – such a shame – in 2023 they raised £500 for the hall.

Table Tennis – as the winter leagues have begun, they now hire the hall for two evenings a week – Wednesdays for matches, and Thursdays for practice.

There are many other activities going on in the hall – details can be found on the notice boards **and on our website** –

PLEASE support them – because *without support they will close*, and the hall will lose ***much needed revenue***.

Also – please consider holding your family parties, or other gatherings, in the hall – there is very little on in the hall on Sundays (and the £ rate per hour is cheaper)

Saturday evenings too (apart from the fourth in the month which is Film Night)

Ruth Gooch, Booking Secretary
